

One Blessed Hour with Jesus

Words: Fanny Crosby, 1877. Music: Howard Doane.

One blessed hour with Jesus our Lord,  
One blessed hour to feast on His Word;  
One blessed hour with Jesus apart,  
One blessed hour to calm the troubled heart.

Refrain

One sweet hour of holy, calm delight,  
One sweet hour of tender, melting love;  
One sweet hour, O precious Savior,  
One sweet hour with Thee.

One blessed hour with Jesus to plead,  
One blessed hour to tell Him our need;  
One blessed hour refreshing and sweet,  
One blessed hour to sit at Jesus' feet.

Refrain

One blessed hour from labor to rest,  
One blessed hour to lean on His breast;  
Loving and loved, His favor to share,  
One blessed hour of soul reviving prayer.

Refrain

One blessed hour with Jesus our King,  
One blessed hour to speak and to sing;  
One blessed hour with Jesus, how dear!  
Surely 'tis Heav'n, and Heav'n itself is here.
