

Only Jesus Feels and Knows

Words: Fanny Crosby, 1875. Music: Hubert Main.

Only Jesus feels and knows
All the weight of human woes;
Full and free His mercy flows,
Blessed, blessed Jesus!

Refrain

Oh, that name we love to hear,
Name above all others dear!
How it calms our every fear!
Blessed, blessed Jesus!

Only Jesus looks within,
Sees our hearts and all our sin;
Only He can make us clean;
Blessed, blessed Jesus!

Refrain

Only Jesus answers prayer,
Lighter makes the cross we bear,
Bids us cast on Him our care;
Blessed, blessed Jesus!

Refrain

Safe in Him our souls abide,
Safe His hand our steps will guide,
Till we sing beyond the tide,
"Blessed, blessed Jesus!"
