

### Shout and Sing

Words: Fanny Crosby (1820-1915). Music: Bentley Ackley, 1920.

The love of God, whose sacred bond,  
Nor life nor death can sever,  
Thro' grace divine has made us one,  
In Christ the Lord forever.

#### Refrain

Then shout and sing,  
Though time may bring  
Its clouds of care and sorrow;  
The golden ray they veil today  
Will brighter shine tomorrow.

If one in Christ, what joy is ours,  
Thro' faith His smile beholding,  
We dwell secure, our anchor sure,  
His arm our souls enfolding.

#### Refrain

Yes, one in Christ, and He in us,  
The hope of endless glory,  
We journey on while sweeter grows  
Redemption's grand old story.

#### Refrain

To sinners now, we'll gladly tell  
His love so freely flowing,  
And help them find the land of song  
To which we now are going.
