

Wonderful Love That Found Us

Words: Fanny Crosby, 1888. Music: Hubert Main.

Wonderful love that found us
Out on the mountain cold!
Wonderful love that brought us
Into the Savior's fold!

Refrain

Wonderful love of Jesus!
Tell it in thankful song;
Tell of its power and greatness;
Sing it the whole day long.

Wonderful love whose presence
Beaming with light divine,
Ever through clouds and darkness
Maketh the sun to shine.

Refrain

Wonderful love that keeps us
Near to the Savior's throne!
Dropping in tender blessings,
Filled with a joy unknown.

Refrain

When to the gate of Eden
Gathered in peace we come,
Wonderful love our password
Into the soul's dear home.
