

Folk & Traditional Song Lyrics

www.traditionalmusic.co.uk

All Night Long

All Night Long

All night long, all night long
All night long, from midnight on

Down in the depot (down in the depot)
Ready to go (ready to go)
If the train don't come (if the train don't come)
Something's wrong down the road
(something's wrong down the road)

If I live
And don't get killed
I'll make my home
In Louisville

In Louisville, in Louisville
If I live and don't get killed

I'd rather be dead
And in my grave
Than in this old town
Treated this way

If anyone asks you
Who wrote this song
Tell 'em it was me
And I'll sing it all night long
