Feel-In

Feel-In

(Rick Dougherty)

Feel in,

I got a little feel in.

When she wasn't lookin',

A feel-in of love.

Teardrops

Rolling down on my face

She kicked me in my place

My feeling of love

Feel it

All my life I'll feel it

I wish I never met you, girl

I'll never come again

Feelin's WHOAAAAA

Feelin's

Feelin's

Again (falsetto) of love!
