## Going to Boston

Going to Boston

Goodbye girls, I'm going to Boston,  
Goodbye girls, I'm going to Boston,  
Goodbye girls, I'm going to Boston,  
Early in the morning.

cho: Won't we look pretty in the ballroom?  
    Won't we look pretty in the ballroom?  
    Won't we look pretty in the ballroom?  
    Early in the morning.

Saddle up, girls, and let's go with him, (x3)  
Early in the morning.

Out of the way, you'll get run over, (x3)  
Early in the morning.

Swing your partner all the way to Boston, (x3)  
Early in the morning.

Johnny, oh Johnny, gonna tell your pappy, (x3)  
Early in the morning.
