Golden Ring Around My Susan Girl

Golden Ring Around My Susan Girl

Golden ring around my Susan girl
Golden ring around my Susan girl
Golden ring around my Susan girl
All the way round my Susan girl

Take a little girl, give a little whirl (3x)
All the way round my Susan girl

Jump and turn, my Susan girl (3x)
All the way round my Susan girl

Do se do, Susan girl
All the way round my Susan girl

See saw left, Susan girl
All the way round my Susan girl

Get a little faster, Susan girl
All the way round my Susan girl

Allemande left, Susan girl
All the way round my Susan girl

Golden ring around my Susan girl
All the way round my Susan girl
