Griselda

Griselda

Come won't you walk with me Griselda
Wearing that dress that moonlight shines through
I am a sad and lonely boy
Since your mother said I couldn't see you

Slipping through the woods in the dark of night
Calling to the moon up yonder
oh lady moon won't you shine your silver light
And lead me to my Griselda

Moon flower vine growing on your window
Give me a foothold for my climbing
I've got a rowboat on the lake
Moon is out and all the stars are shining

I've got a jug of wine Griselda
Why do you waste your time in sorrow
Hold out your hand and have no sorrow
If we're caught I'll marry you tomorrow
