Irish Girls

Irish Girls
(Bob Lusk)

Well those Dublin girls are hip
I really dig those styles they wear
And the Cork girls with the way they talk
they knock me out when I'm down there
Those Limerick farmer's daughters
really make you feel all right
And the Belfast girls with the way they kiss
they keep their boyfriends warm at night

Cho: Aren't you glad that they're all Irish (girls)
Aren't you glad that they're all Irish girls
Girls, girls, girls, girls

Well Galway has the sunshine
and the girls all get so tan
And I like to do it in Donegal
where they treat you like you're a man
I've been all around this great big world
and I've seen all kinds of girls
But Gramachree, I can't wait, to get back home
back to the cutest girls in the world

Now Dublin got the dusty babes
and Connaght feels so right
I'll kick up my heels at a celeigh
on a stormy Belfast night
I'll drink my mead with a lass from Meath
and I'll catch her if I can
We'll monster mash at a Munster bash
Come on now, give me your hand

Music: David Lee Roth
