## Just a Few More Days

Just a Few More Days

As Done by The Carter Family

G

Not so long ago one morning

C                      G

Mother called me to her bed

Then she threw her arms around me

D7

Listen to the words she said:

G

Darling I am going to leave you

C                      G

But you'll not be left alone

Jesus will protect and shield you

D7      G

After he has carried me home.

(Chorus)

Just a few more days of sorrow

Just a few more days of pain

Just a few more days of cloud'ness

Just a few more days of rain

Then I'm going to live with Jesus

He has got a home prepared

Then I'll join the holy angels

Mother will be waiting there.

Sometimes I'm sorely tempted

Sometimes I am sorely tired

But to overcome I'm trying

Taking Jesus as my guide

Oh, sometimes the past seems rugged

But it only makes me praise

And I know if I keep trying

I'll see my mother some sweet day.

Here's another "Mother Song" as done on "Gospel Songs by The Carter Family in Texas, Volume 3" and also done by Suzanne Thomas of Dry Branch Fire Squad:
