On the Trail of the Lonesome Pine (2)

In the Blue Ridge Mountains of Virginny
Stood a cow on the railroad track
She was a nice old cow, with horns so fine
But you can't expect a cow to read a railroad sign---
The train come a-chuggin' along the track
And hit her Smack!
In the Blue Ridge Mountains of Virginny
where we get butter, eggnog, cottage cheese, sour cream...
(spoken, and trailing of into the distance.)"
