Push Boys Push

Push Boys Push

(1-Straight from thr Tunnel's Mouth)

Were legging this old tunnel

push boys push

Were legging this old tunnel

push boys push

It's the pride of Dudley Town

And they're going to pull it down

So,

push boys push

push boys push

push boys push

push boys push

We'll leg through Castle Mill

push boys push

Cathedral Arch as well

push boys push

There'll be no more fresh-air smell

'til we get to the well

So,

push boys push

push boys push

push boys push

push boys push

Push Boys Push (2-The English Canals)

Were going though this tunnel

push boys push

Were trying to save this tunnel

push boys push

It's the pride of Dudley Town

And they're trying to close it down

So, push boys push

Ho! push boys push

We'll go through Castle Mill
push boys push
Cathedral Arch as well
push boys push
There's no more fresh-air smell
while you pass by the well

So, push boys push
Ho! push boys push

The boat's been going through
push boys push
Since seventeen-ninety-two
push boys push
It's a crime and it's a shame
That we cannot do the same

So, push boys push
Ho! push boys push

Don't let your strength to fail
push boys push
'Cos we're coming to the jail
push boys push
We may get stuck inside
If the boat it is too wide

So, push boys push
Ho! push boys push

The tunnel's two miles long
push boys push
That's why we sing this song
push boys push
It keeps our spirits high
While we cannot see the sky

So, push boys push
Ho! push boys push

And now we're coming nigh
push boys push
Oh don't you see the sky
push boys push
We'll have a celebration
Now we've sung it to the nation

So, push boys push
Ho! push boys push

Yes! push boys push
Now! push boys push
Well push boys push
