Roll Me Over

Now this is number one, and the fun has just begun
  Roll me over, lay me down and do it again
  Roll me over, in the clover *
  Roll me over, lay me down and do it again.

And this is number two, and I'm taking off her shoe

number three... My hand is on her knee

number four...She's beggin' me for more

number five...We're startin in to jive

number six... She's starting to do tricks

number seven...she thinks that she's in Heaven

number eight...the doctor's at the gate

number nine... the twins are doin' fine

number ten... we're starting in again.

note: exceptionally popular during and somewhat after WWII. Sometimes sung: "Roll me over, Yankee soldier.." RG
