Streets of Glory

Streets of Glory

I'm gonna walk the streets of glory
On that great day in the morning
I'm gonna walk the streets of glory
On that great day in the morning
I'm gonna walk the streets of glory
I'm gonna put on my shoes that's holy
Walk the streets of glory, Hal-le-loo

Don't you want to hear the children singing
On that great day in the morning
Don't you want to hear the children singing
On that great day in the morning
Don't you want to hear the children singing
Jingle bells a-ringing
Don't you want to hear the children singing, Hal-le-loo

Don't you want to stand in line together
On that great day in the morning
Don't you want to stand in line together
On that great day in the morning
Don't you want to stand in line together
Shake hands with one another
Don't you want to stand in line together, Hal-le-loo

Recorded by the Almanac Singers way back when
