## Where the Roses Never Fade

Where the Roses Never Fade

G  
I am going to a city  
D7            G  
Where the streets with gold are laid  
G  
And the tree of life is blooming  
D7            G  
And the roses never fade.

(Chorus)

C            G  
Here they bloom but for a season  
C            D7  
Soon their beauty is decayed  
G  
I am going to a city  
D7            G  
Where the roses never fade.

Loved ones gone to be with Jesus  
In their robes of white arrayed  
Now are waiting for my coming  
Where the roses never fade.
