

Come Home To Me

Recorded by George Jones

Written by Bobby Lamoyne Harden

[3/4 time]

C F C
Lying here thinking and I happen to think

G7
Blaming myself for the things that I said

C F C
Hoping that you can forget and forgive

G7
My life without you ain't no way to live

C G7
Come home to me come home to me

C G7
It just won't be right till you do

C G7
Come home to me come home to me

C G7
I can't take one more night all alone

C
Come on home

F C
Baby you left a hurting only your love can heal

G7
And I understand that's how I made you feel

C F C
Well my life without you would just fall apart

G7
Right from the body come my lonely heart

Repeat #2

F
The moon through the window

Is my shade of blue

G7
As I'm holding your pillow

Longing for you baby

Repeat #2
