That I fell in love again for my last time

3. Daylight dawned and found me in Del Rio

In a rundown motel room as dark as hell

I felt all the pains of a morning after

And all alone as far as I could tell

4. Why she left I have no way of knowing

I guess she caught her train and that's a crime

She took everything I ever wanted

And I fell in love again for my last time

Say too much guitar music, tequila, salt and lime

Blame it on Mexico, but she's the reason

That I fell in love again for my last time
