Kiss the Son

Words and Music by Kevin Prosch

**G** **C G C G** **C G**  
When you've been broken, broken to pieces.

**C2**  
And Your heart begins to faint

**G**  
'cause you don't understand.

**C G C G** **C G**  
And when there is nothing to rake from the ashes.

**C2**  
And you can't even walk

**G**  
onto the fields of praise.

**G/F#** **C2** **Dsus4D**  
But I bow down and kiss the Son.

**G/F#** **E2** **Dsus4D**  
Oh, and I bow down and kiss the Son.

**G**  
Let the praise of the Lord be in my mouth.

**D**  
Let the praise of the Lord be in my mouth.

**G** **C2**  
Well, though You slay me, I will trust You, Lord.

**G** **C2**  
Well, though You slay me, I will trust You, Lord.

**G** **C2**  
Though You slay me, I will trust You, Lord.

**G** **C2**  
Though You slay me, I will trust You, Lord.

**G** **C G C G** **C G**  
When the rock falls, falls upon you.

**C2**  
And you get ground to dust

**G**  
no music for your pain.

**C G C G** **C G**  
You open the windows, the windows of heaven.

**C2**  
And then You opened me

**G**  
and You crushed me like a rose.
