

# One Name Under Heaven

One Name Under Heaven

Chorus:

E D  
One name under heaven,  
AE  
Whereby we must be saved (2x)

E  
Searched for a long long time,  
D  
Searched both night and day  
A E  
then somebody showed us Jesus is the way. He's that...

E D  
Forgiven of my sin, baptised in water  
A  
Filled with the Holy Ghost and  
E  
Washed in the blood of the lamb. By that...

E  
God's gonna move this place,  
D  
God's gonna move this place  
A E  
God's gonna turn this place upside down. By that...

E D  
Free, really free my friend,  
A E  
Free by the blood of the lamb  
A E  
Free by the blood of the lamb. By that...
