

We Will Bow Down

We Will Bow Down

G Em D D Am G
Now listen close, to what I say.

G Em D D Am G
You don't know what, will happen today.

G Em D D Am G
He has a plan, He is the one.

G Em D D Am G
He shed his blood, we have our fun.

Chorus:

G Em Am
Lift up your hands, and praise the Lord.

D G
Do you want to join? Pick up your sword.

Em Am
We have our fun, we scream and shout.

D G
But when it's time... We will bow down.

G Em D D Am G
We hear the beat, of those banging drums.

G Em D D Am G
But we don't know, when the song is done.

G Em D D Am G
Our time is nice, but its always wrong.

G Em D D Am G
His time is best, when we join along.

Chorus

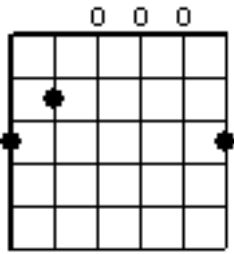

G Em D D Am G
So the story goes, so the story ends.

G Em D D Am G
Shine down on me, make my life full.
