A God of Love

G D2 C G
A God of love is what You are to me
Am7 G D2
A greater friend no one could ever be
G D2 C G
In holiness born of Your Spirit's touch
Am7 G D2
Through never-ending love You give so much

G Em
Who would not love You who would not cherish You
C Am7 D
Who would not serve You all their days
G Em
Who would not praise You who would not honor You
C D2 G
Who would not die for You who would not love You

A Father's love is what You give to me
A guiding hand a light so I could see
In knowing You I've found my heart's desire
In loving You I've touched Your holy fire
