### Abide With Me

E B7 E A E B7  
Abide with me, fast falls the eventide;  
E A E F B7  
The darkness deepens, Lord with me abide.  
E B7 E A F#m7  
When other helpers fail and comforts flee,  
B7 E A E B7 E  
Help of the helpless, O abide with me.

Swift to its close ebbs out life's little day;  
Earth's joys grow dim, its glories pass away.  
Change and decay in all around I see;  
O Thou who changest not, abide with me.

I need Thy prescence every passing hour;  
What but Thy grace can foil the tempter's power?  
Who like Thy self my guide and stay can be?  
Through cloud and sunshine, O abide with me.

I fear no foe with Thee at hand to bless;  
Ills have no weight and tears no bitterness.  
Where is death's sting? Where grave, thy victory?  
I triumph still if Thou abide with me.

Hold Thou Thy cross before my closing eyes;  
Shine through the gloom and point me to the skies.  
Heaven's morning breaks and earth's vain shadows flee;  
In life, in death, O Lord, abide with me.
