I've got a witness not too stable, it wouldn't get me very far

G2

I've got one hand on the table and one in the cookie jar

I've got sins that need eviction from a temple that's a wreck

I've got a chain of contradiction hanging around my neck

So I go down, down, I go down on my knees

I feel the bitter winds grow colder, they are dancing with my pride

I've got a chip on my shoulder bigger than a mountainside

And these claws of human nature hold me tight within their clasp

I'm not worthy of forgiveness but I just had to ask

So I go down, down, I go down on my knees

Make me more than what You see as I go down on my knees

When I've all but killed the fire and my soul's in desperate need

But I wallow in the mire of complacency, that's when I go down on my knees

I want to taste the fruit I'm missing and yet I feast only on the bread

My desire's alive and kicking but my drive is dead

So I go down on my knees

CHORUS

You bear the weight of condemnation cleansing with the blood of truth

So with my humble acclamation, I want to give myself to You

So I go down, I go down, down, down

I go down on my knees

I go down, I go down, I go down on my knees

I go down, I go down, down

I go down on my knees
