God Understands
Old Gospel Song

CHORUS:

My God understands, He knows all about me.
He knows all my failures, He knows all my plans.
He's willing to help, if we will just follow.
God knows all about me. Yes, God understands.

1. I'll walk with the Lord in sunshine and darkness.
I cannot forsake His Word or His great domain.
Temptations are great, God's love is still greater.
God knows all about me, yes, God understands.

2. I know of His love, I know of His healing,
I know of His power, He's given to man.
Without faith in God, my life would be worthless.
God knows all about me, yes, God understands.
