He Took Me Just As I Am
Old Gospel Song

1. Abound by sin no hope was in sight.
He promised that He'd set me free.
So I brought all my rags to the Old Rugged Cross.
He lifted the veil, now I see.

CHORUS:

Just as I am, just as I am,
He took me just as I am
With all of my problems, doubts, and my fears
He took me just as I am.

ENDING:

Oh, yes, He took me just as I am.

2. Now my past is forgotten, and all things are new,
I place all my life in His care.
What a joy just to know I'll be living with Him,
Forever in Gloryland.
