HE'S STILL WORKIN' ON ME

CHORUS:
F          D7         Gm7
He's still workin' on me,
   C7                F
To make me what I ought to be.
   D7         Gm
It took Him just a week to make the moon and the stars,
   C7                F
The sun and the earth and Jupiter and Mars.
   D7         Gm7
How loving and patient He must be,
F/C        C7         F
He's still workin' on me!

VERSE 1:
F                          C
There really ought to be a sign upon my heart,
Gm              C7              F
"Don't judge me yet, there's an unfinished part."
Gm
But I'll be perfect, just ac-cording to His plan,
F/C              C7              F
Fashioned by the Master's loving hand.

(REPEAT CHORUS)

VERSE 2:
In the mirror of His Word, reflections that I see
Make me wonder why He never gave up on me.
He loves me as I am, and helps me when I pray,
Remember He's the Potter, I'm the clay.

(REPEAT CHORUS)
