Starting mellow and build up

### Holy Love

(D)Many waters cannot quench your love,  
(Bm) Rivers cannot overwhelm it, (E) oceans of fear, cannot conceal your  
(A)love for me 2x Your (E) love for me...

#### CHORUS

(D)Holy Love,(A/C#) flow in me(A), fill me up,  
Like the (A/C#)deepest (E)sea  
Like a (D)crashing wave, pouring (A/#C)over me  
(D)Holy Love, flow in (A)me

(D)Many sorrows cannot quench you love  
(Bm)Darkness cannot overwhelm it, I (E)will not fear  
Your love is here to(A)comfort me(2x)...To (E)comfort me(CHORUS)

When I find you I find (D)healing  
When I find you I find (A)peace, And I know there's (strong ending)  
No (D)river  
So wide  
No (E)mountain so high  
No (D/F#)ocean so deep, That you can't (E)part the sea (CHORUS)

For I am convinced...
