I Found A Treasure
Old Gospel Song

1. I have no riches, no gold or silver,
But I found something at an altar of prayer.
It gives me peace and sweet consolation,
And He has promised me Heaven's glory I'll share.

CHORUS:

I found a treasure when I found Jesus,
He gives me pleasures that the world cannot give.
Although I'm a beggar, I'm rich beyond measure.
I found a treasure when I found the Lord.

2. Soon I'll cross over the Jordan River
And precious jewels I surely will find.
I'll have a mansion, my home forever,
And walls of jasper one day will be mine.
