

Traditional Gospel Songs with Chords

Christian lyrics from www.traditionalmusic.co.uk

Words and music Hobie Lister

Tip: If you have a group of people having a great time singing along and you want to repeat the song you could try changing key to stop things getting repetitive. A suggested key change is at the bottom.

I'm Gonna Walk

Intro E, B7, E

I'm gonna (E) walk,
The way He (B7) wants me to walk.
I'm gonna talk,
The way He (E) wants me to talk.
I'm gonna sing,
The way He wants me to sing.
I'm gonna walk and talk and sing
The way he (E) wants me to.

I'm gonna (E) be,
The way He (B7) wants me to be.
I'm gonna see
The things He (E) wants me to see.
I'm gonna do
The things He (B7) wants me to do.
I'm gonna be and see and do
The things He (E) wants me to.

Chorus:
Well, I've (A) never been to Heaven,
But you know I've been told,
(E) All of God's children walk the streets of gold,
And (A) everybody's gonna have a wonderful time
Up (F#) there in Glory (B) Land.

I'm gonna walk,
The way He wants me to walk.
I'm gonna talk,
The way He wants me to talk.
I'm gonna sing,
The way He wants me to sing.
I'm gonna walk and talk and sing
The way he wants me to.

Change key: Play C7 after the E at the end of verse 3. Then:

Verse: F, C7, F, C7, F,

Chorus: Bb, F, Bb, G, C,

Verse: F, C7, F, C7, F, D7,

Verse: G, D7 G, D7, G, E7,

Verse: A, E7 A, E7 A, E7,

Finish the song like this from the key of A:

I'm gonna (D) walk,
I'm gonna (E7) talk,

I'm gonna (A) sing.
