In My Robe Of White
Old Gospel Song

CHORUS:

In my robe of white, I will fly away.
To that land so fair, meet my Jesus there;
It will be so grand when I get to that land
In my robe of white, I will fly away.

1. First I'll hear the trumpet sound, then all the saints will be heaven bound
We will cross over Jordan wide, stop and view the other side.
There I'll see those holy hills and my mansion He has built,
I'll be the first one in the line, want to see my name in the Book of Life.

2. It's gonna be a wonderful time when I get to the other side
See my loved ones gone before, we'll depart from them no more;
We'll be walking on streets of gold, surrounded by riches untold,
When I first look on Jesus' face, I'll know I'm saved by His amazing grace.
