I've Got That Old Time Religion In My Heart

Play in [C]

Verse: 1

[C] I'm glad Jesus came, [F] glory to His name. [C] Oh what a Friend is [G] He
[C] He so freely gave, [F] His own life to save. [C] From bonds of [G] sin set
[C] free.

Chorus:

And I've got that [C] old time religion in my [Am] heart
And its [F] way [G] down in[C]side
I've got that new kind of feeling in my [Am] heart
[D7] Real love a[G]bides
[G] Nobody knows what it means to me
[C] Nobody knows but my [D7] God and [G] me
I've got that [C] old time religion in my [Am] heart
And its [F] way [G] down in[C]side

Instrumental break: [verse chords]

Verse 2:

[C] What a joy to know [F] one who loves us so
[C] He is so kind and [G] true
[C] He has changed my life [F] from all sin and strife
[C] He'll do the [G] same for [C] you.

Chorus:

And I've got that [C] old time religion in my [Am] heart
And its [F] way [G] down in[C]side
I've got that new kind of feeling in my [Am] heart
[D7] Real love a[G]bides
[G] Nobody knows what it means to me
[C] Nobody knows but my [D7] God and [G] me
I've got that [C] old time religion in my [Am] heart
And its [F] way [G] down in[C]side

And it's [F] way, way [G] down in[C]side.
