Words and music: Dolly Parton

Light of a Clear Blue Morning

It's been a [A] long dark night,
[D] And I've been [E] waiting for the [A] mornin'.
It's been a long hard fight,
[D] And I see a [E] brand new day a [A] dawning.
[D] I've been [E] looking for the [A] sunshine,
[D] 'Cos I ain't [E] seen it in so [A] long.
[D] But everything's gonna [E] work out just [A] fine,
And every[D]thing's gonna be all [E] right that's been all [A] wrong.

Chorus:

'Cos I can see the [D] light of clear blue [A] morning.
And I can see the [D] light of brand new [A] day.
I can see the [D] light of clear blue [A] morning.
And every[D]thing's gonna be all [E] right, it's gonna be [A] okay.

For everything, there is a purpose and a reason,
And the seas of change, we reap according to the seasons.
And I believe in a higher power, (power)
That it's all part of a master plan.
His love shines through the darkest hour,
And we've got to trust what we don't understand.

Chorus x2
