Nobody's Child

E B
Stranded on the inside,
C#m A
Fragile like a little child
E B C#m A
All our hearts are orphaned by the f--all
E B C#m A
Longing for affection, in a world of too much rejection,
E B C#m A
Don't we feel invisible and s----mall
 B E A
Nobody's child there is a place for you
 B E A
Where your abandoned heart can come home to
 B E A
Nobody's child a place where you belong,
 C#m B
Where you can rest your soul awhile
 A Bsus B
A place where you can be a child.
E B C#m A
I've known that emotion, isolation like an ocean
E B C#m A
Your heart will find it's home in arms of love.
 B E A
Nobody's child there is a place for you
 B E A
Where your abandoned heart can come home to
 B E A
Nobody's child a place where you belong,
 C#m B
Where you can rest your soul awhile
 A Bsus B
A place where you can be a child.
B E A B A B
Come all you ragged and unshod,
B E A B
Come and be embraced and loved by God
