One More Valley One More Hill

(D) When I'm tossed on life sea and the (G) the waves cover me
and (D) a dark cloud won't let the sun shine (A) thru
Then a (D) voice seem to say
child there'll (G) be a brighter day
it (D) all will be (A) over after a (D) while.

chorus:

(D) 'Cause you've got one more valley one more hill
and you've got one more trial
one more (A)tear one more (D) curve in life's road
just about a (G)mile left to go
and you can lay (A) down your heavy load when you get (D)home

(D) Don't let Satan see your fears turn your (G)smile in to tears
hold your (D) head up high and give the world a (A) smile
just be (D) faithful all the way
it will be (G)worth it all someday
and it (D)all will be (A)over after a (D) while

repeat chorus
