### Over My Head

E  
Over my head, over my head  
A B E  
There is a light from heaven shining over my head  
E  
Over my head, over my head  
A B E  
I feel the light from heaven shining over my head

E A  
When chilly winds blow  
B E  
And hard times do show  
A  
There's only one thing  
B A  
One thing I know

E  
Over my head, over my head  
A B E  
I hear the angels singing up and over my head  
E  
Don't be mislead, 'cos right up ahead  
A B E  
There is a light from heaven shining over your head

E A  
When I lose my way  
B E  
Stumble and stray  
A  
Oh please, oh please  
B A  
Show me the way

E A B E A B E

E A  
There's a light from heaven shining down upon us all  
B E  
A chance for all of us to rise and hear the call

If we can believe there's a greater life up there  
B E B A E

This old life of mine
