Praise To The Lord

G D Em C D
Praise to the Lord, all of you, God's servants

G D Em C D
Blessed be the name of our God now and ever

Bm Am7
From the rising up of the sun,

G D Em
May the Lord be praised

(Em7) C D G-G-C-D7
Praise to the name of the Lord

There is none like Our God
In the heavens or on earth;
Who lifts the weak out of dust,
Placing them with the mighty
Who throned on high
looks down so low
May the Lord be praised
Praise to the name of the Lord

(repeat first verse)
