

# Traditional Gospel Songs with Chords

## Christian lyrics from [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk)

Words and music: Carl Perkins  
Performer: Tommy Cash

### Rise and Shine

Little [F] Children, do not worry  
'cause you [Gm] still got lots of time  
There's [C7] no need in walking backward,  
Turn [Bb7] around and rise and [F] shine  
If your load seems heavy  
And you're [Gm] always left behind  
Pick your[C7]self up from the ground  
And jump right [Bb7] back and rise and [F] shine

Chorus:

Rise and [F] shine in the early morning  
Shine your [Gm] light out through the day  
Makes no [C7] difference what they tell you  
Stand right [Bb7] up and have your [F] say  
Cause the Good Lord said He loved you  
And to [Gm] Him you'll strictly find  
Even [C7] though this world may use you  
Turn [Bb7] around and rise and [F] shine

Look at how they did poor Jesus  
Why they nailed Him to the Cross  
But He died out there on Calvary  
So the world would not be lost  
So no matter how they treat you  
If they slap you in the face  
Just remember Jesus loves you  
And on that cross He took your place

Chorus
