### Unfriendly World

(C) Lord, I sometimes feel just like a stranger  
here in this (F) dreary world (C) below.  
And nobody knows the sorrow that I bear,  
Or how (G) heavy, my (C) load.

(C) But in Thee dear Lord I have a Precious Friend  
and my (F) faith looks up to (C) Thee.  
Let me (F) rise and go, for this (C) dreary world below  
is an (G) unfriendly world to (C) me.

Refrain (2x):

Here I wander, like a beggar  
Through the (F) heat and the (C) cold.  
And my burdens, are so heavy,  
Lord my (G) sorrow, is (C) untold.

(C) But to Jesus, I am clinging,  
Let me (F) hide, Lord, in (C) Thee.  
For this old world, with its sorrow,  
is an (G) unfriendly world to (C) me.
