Until You've Known The Love Of God
Old Gospel Song

1. If you could own all the world and its money,
   Build castles tall enough to reach the sky above;
If you could know everything there was to know about life's game,
Yet you've known nothing until you've known God and His love.

CHORUS:
Until you've known the loving hand that reaches down to a fallen man
And lifts him up from out of sin where he has trod;
Until you've known just how it feels to know that God is really real;
Then you've known nothing until you've known the love of God.

2. If in your lifetime you could meet ev'rybody
   And you could call every name from here to yon;
But if you've not come face to face with Jesus and His saving grace,
Then you've known nothing until you've known God and His love.
