We Call On Him

 A E
We call on Him whenever storm clouds gather,
 B7 E
We call on Him to light our darkest day;
 A A#° E
Why must it be that only when we're lonely
 F#m7 B7 E
And hopes are dim, we call on Him.

Chorus:

 F#m7 B7 E
Why don't we call on Him before we lose our way?
 F#m B7 E
To count our blessings and thank Him while we may.

We call on Him when no one else will answer,
We ask of Him a reason to go on;
When our cup of joy becomes a cup of sorrow
Filled to the brim, we call on Him.
