What A Time We Will Have Over There

(G) What a time we will have when we (C) cross the misty foam,
What a (G) time we will have over (D) there.
When the (G) Saints of the ages are (C) gathered home,
What a (G) time we will (D) have over (G) there.

(G) Young and (C) old, king and commoner, we'll all be as one,
And (F) Amazing Grace will be (G7) everywhere,
What a (C) time we will have when we (F) see Jesus Christ,
What a (C) time we will (G7) have over (C) there.

(G) What a time we will have when we (C) reach for that land,
What a (G) time we will have over (D) there,
When the (G) singers shall join in the (C) heavenly band,
What a (G) time we will (D) have over (G) there.

(G) What a time we will have when we (C) see Mom and Dad,
What a (G) time we will have over (D) there.
When the (G) former things are past, we will (C) be home at last,
What a (G) time we will (D) have over (G) there.

(G) Young and (C) old, king and commoner, we'll all be as one,
And (F) Amazing Grace will be (G7) everywhere,
What a (C) time we will have when we (F) see Jesus Christ,
What a (C) time, what a (F) time, what a (C) time, what a (F) time
What a (C) time we will (G7) have over (C) there.
