Where Do I Go From Here

C G7
Where do I go from here what fate is drawing near

F G7 C
Touch my heart and guide my lips in prayer

Through the grace of God alone

G7
I'll cast aside these fears I've known

F G7 C
And lift myself from the depths of deep despair

G7
Lead me through the darkness

C
And through each gloomy day

G7
Take my hand oh precious Lord

C G7
And help me on my way

C Give me strength that I might find G7 Abiding faith and peace of mind F G7 C And I won't ask Where do I go from here
