Where We'll Never Grow Old

C                               F
I have heard of a land on the far away strand

G7                           C
This beautiful home of the soul

F
Built by Jesus on high where we never shall die

G7                                  C
Tis a land where we'll never grow old

F                                C
Never grow old never grow old

G7
In the land where we'll never grow old

C                               F                                C
Never grow old never grow old

G7                                  C
In the land where we'll never grow old

F
In that beautiful home where we'll never more roam

G7                           C
We shall be in the sweet by and by

F
Happy praise to the king through eternity sing

G7                                  C
Tis the land where we'll never shall die

F
When our work here is done and the life's crown is won

G7                           C
And our troubles and trials are o'er

F
All our sorrow will end and our voices will blend
