

# Traditional Gospel Songs with Chords

## Christian lyrics from [www.traditionalmusic.co.uk](http://www.traditionalmusic.co.uk)

From: BEARDADDY@aol.com

This song goes way back to a band called The Chuckwagon Gang, a family group that was very popular with Southern Baptists, even though they never hit The Big Time. I have no idea who wrote, or when.

It is done in moderate time, and i have used the journalistic standby of 3 dots to indicate a short pause of about 2 beats each.

### **The World's Greatest Story**

(C) The world's greatest story In the (F) Bible is (C) told.  
It's a story more (G) precious ... than diamonds or (C) gold.  
He was born ... in a manger. Gave his (F) life on a (C) cross.  
Brought hope and (G) salvation ... To a world that was (C) lost.

Refrain (2x):

It's the world's greatest (F) sto-ry ... Greatest story e're (C) told.  
It's the story of (G) Jesus ... And it never grows (C) old.  
How just one Gal-i-(F)le-an ... Saved the world from its (C) fall.  
It's the world's greatest (G) story ... Greatest story of (C) all.
