You Are All

intro E

And here You are, shining in a glory that I can see.

When I look beyond myself and I fall into the depths

Of your love that beckons me.

Well it fills my hungerin' soul with all the riches

That are hidden in the wonders that You do.

And in the words that You have spoken

There's a word that echoes still.

And I can hear it in the silence of these hills.

CHORUS

Lord, you are all that the world could not be.

You are great and strong. You are good.

Lord, You are all, and everything that I could ever need.

You are faith, You are hope, You are love.

Yes, You are love, You are peace, You're my most high,

So now I fall down on my knees and cry, You are all.

And here we are, in a light that showers from things unseen.

Drawn from earth, dropped from the sky

They have crept into our lives and called us to believe.

In the One of whom the distant clouds bear witness.

He was wounded, He was raised and glorified.

And His voice thunders in the heavens,

F#m

And it pulses through our veins,

C#m

A

And we can find salvation in the One, the Name.

(repeat chorus)
