Your Father's Heart

Intro: A2 F#m7 G D

A2 F#m7
Father, I come to my senses,
G D
Down here on my knees;
A2 F#m7
I'm laying down my heart defenses,
G D
And I come runnin' free...
E F#m7
I run to Your Father's heart,
E F#m7
I run to Your Father's heart,
E D2
I run to Your Father's heart for me

I know Your arms are big enough to,
Swallow all my fears;
As I gaze in Your loving eyes I,
See your loving tears
I see Your Father's heart,
I see Your Father's heart,
I see Your Father's heart for me

A A/G
It's Your Father's heart, calling out to me
D/F# D
It's Your Father's heart, givin' all I need,
A A/G
It's Your Father's heart, that will lead me
D/F# D
back to You

A A/G
It's Your Father's heart, calling out again,
D/F# D
It's Your Father's heart, that will take me in,
A A/G
It's Your Father's heart, that will keep me
D/F# D
Running home

A
To Your Father's heart
