Along in the sun and the rain
Along in the sun and the rain
Along, a long, a long long long

Along in the sun and the rain
Hey, boys, I've come a long ways.

I seen a whole lot of things.

I kissed a whole lot of lips.

I've seen a lot of towns.

I've had a lot of fights.

I've shook a lot of hands.

I'm gonna get my job done.
