

DUST PNEUMONIA  
Woody Guthrie

I got that dust new-mon-ee, new-mon-ee in my lungs  
(Repeat above)

And I'm gonna sing that dust new-mon-ee song  
I went to the doctor and the doctor said, "My son"  
(Repeat)

"You got that dust new-mon-ee, an' you aint got long, not long"  
Now there ought to be some yodelin' in this song  
(Repeat)  
But I can't yodel for the rattlin' in my lungs

My good gal sings the dust new-mon-ee blues  
(Repeat)  
She loves me 'cause she has the dust new-mon-ee too  
If it weren't for choppin my hole would turn to rust  
(Repeat)  
I can't find a woman in this black ol' Texas dust

Down in Oklahoma, the wind blows mighty strong  
(Repeat)  
If you want to get a momma, just sing a California song

Down in Texas, my gal fainted in the rain  
(Repeat)  
I throwed a bucket of dirt in her face, just to bring her back again
