## Christian, unflinching stand

Christian, unflinching stand,  
Satan defying!  
Outstretched is God's right hand,  
all power supplying;  
valiant as saints of old,  
proudly the cross uphold,  
moved by his love untold  
to live for Jesus.

Stern is your fight with wrong;  
Christ stands beside you.  
hard grows the way and long;  
his hand will guide you.  
Calmly each danger face,  
boldly his footsteps trace,  
seeking by God's good grace  
to live for Jesus.

Friends by your side may fall;  
help and defend them.  
foes in distress may call;  
comfort and tend them.  
Give ear to them that plead;  
bind up the hearts that bleed;  
learn by each kindly deed  
to live for Jesus.
